OUR BEST INDUSTRY PRACTICES

TRUSTED PARTNERSHIP WITH OWNERSHIP OF COMPLETE OUTCOMES

We follow the main principles of CLIENTS FIRST and this is at the fiber of the organization’s culture. Our goal is to build trusted and transparent partnership with our clients.

EXCELLENCE AND FULL TRANSPARENCY IN PROJECT EXECUTION

Exceptional engagement and transparent communication with our respective client peers quickly builds trust and a collaborative spirit between Kevuru Games and our client teams.

ADHERENCE TO THE BEST INDUSTRY SECURITY PRACTICES

Kevuru Games' data protection policy ensures data, system and infrastructure protection. Additionally, Kevuru continuously adopts solutions to further enhancement.

EXCEPTIONAL ABILITIES FOR SCALABILITY

Kevuru Games' active presence and participation in the gaming community allows to naturally attract and onboard highly-skilled experts. The average period for hiring a new employee is 2 weeks.

ENGAGEMENT MODELS

We offer services to our clients based on several engagement models that can be tailored to meet your specific needs. You can select one of available models or combine them. We are ready to help by choosing a best matching model for you.

BUSINESS MODELS

FIXED PRICE

We offer innovative software solutions at a fixed price that is based on the detailed specifications of the project.

TIME AND MATERIAL (T&M)

T&M pricing involves rates for flexible procedures and agile project execution. This model is suitable for long-term projects with changing requirements.

OPERATIONAL MODELS

OUTSOURCING MANAGED DELIVERY

We offer not only an experienced team capable of providing services but also managed delivery to ensure end-to-end fulfillment of all services.

DEDICATED TEAM

A dedicated offshore team is offered as an extension to your own infrastructure with the full support and access to all resources and facilities.

SECURITY POLICY WE FOLLOW

MOTION PICTURE ASSOCIATION OF AMERICA

Information is a valuable business resource.

Kevuru information security policy based on MPAA Content Security Best Practices and includes necessary points.

- **Protecting assets from accidental or intentional alteration, disclosure or destruction**
- **Maintaining confidentiality, integrity and availability of information**
- **Ensuring the process of automated data processing**

CLIENTS REVIEWS

""Kevuru Games' flexibility and willingness to work quickly despite all issues resulted in a successful product upon first review. They produced good work, and the end product has positive reviews and no major crashes.
They provided good feedback, and weren't afraid of making suggestions that would improve the end product."

JAMES KUCERA, FORMER HEAD OF MOBILE DEVELOPMENT, BANDAI NAMCO AMERICA

"It was a pleasure working with Kevuru Games. They're very professional and understand the slot business very well. On top of that, they had good suggestions regarding the animations and art style, which we incorporated into our games. I will definitely work with them in the future"

AMICHAI NAVEH MARMOR, GAMES DIRECTOR AT TECHONA

"We were glad to cooperate with such a professional group. The app received a remarkable number of downloads within the first three months. Proactive and responsive, Kevuru adhered to a well-detailed timeline while maintaining open lines of communication. Customers can expect a patient, knowledgeable, and dedicated team".
